11. **ATTORNEY'S REPORT**
12. **GOVERNING BODY COMMENTS**
13. **ADJOURNMENT**

ERWIN BOARD OF COMMISSIONERS

REGULAR WORKSHOP MINUTES

OCTOBER 25, 2021

ERWIN, NORTH CAROLINA

The Board of Commissioners for the Town of Erwin with Mayor Pro Tem Randy Baker presiding, held its Regular Workshop in the Erwin Municipal Building Board Room on Monday, October 25, 2021, at 6:00 P.M. in Erwin, North Carolina.

Board Members present were: Mayor Pro Tem Randy Baker and Commissioners Ricky Blackmon, William Turnage, Thurman Whitman, Alvester McKoy, and Melinda Alvarado.

Board Members absent were: Mayor Patsy Carson

Town Manager Snow Bowden, Town Clerk Lauren Evans, and Town Attorney Tim Morris were present.

Mayor Pro Tem Randy Baker called the meeting to order at 6:00 P.M.

Commissioner Turnage gave the invocation.

Commissioner Blackmon led the Pledge of Allegiance.

AGENDA ADJUSTMENT/APPROVAL OF AGENDA

Town Manager Snow Bowden requested to add Closed Session to the agenda in Pursuant to General Statute 143-318.11(a) (6) for the Purpose of Discussing Personnel.

Commissioner Turnage made a motion to approve the adjusted agenda and was seconded by Commissioner Blackmon. **The Board voted unanimously.**

OLD BUSINESS

Erwin Depot

Mayor Pro Tem Randy Baker stated this has been a long time coming and asked that the staff start the discussion and briefly go over the full timeline of what has taken place with the Depot since the beginning.

MINUTES CONTINUED FROM OCTOBER 25, 2021

Town Manager Snow Bowden stated that 2012 is a good starting point which is when discussion about the Depot began with the Erwin Historical Society. Since 2016, roughly we have spent about \$91,000 between moving it down here, raising the cable lines, putting the foundation down, site improvements to the previous location. The Town received a \$50,000 grant in 2017. The Town put out a bid to have some improvements on the building including lead-based paint. We never received any bids so the staff was directed to reach out to the Department of Commerce to use the remaining funds to get plans drawn up, which was approved by them so the Town used the remaining funds along with some money out of the General Fund to fund the proposed plans. It cost \$75,000 to have the plans produced.

Mayor Pro Tem Randy Baker asked staff to explain the damage that has transpired on the roof of the Depot.

Town Manager Snow Bowden stated that the roof has gotten worse and at one point we did reach out to file an insurance claim and received quotes but we decided that since more work needed to be done to the inside, we would wait to do all the work at once.

Commissioner Turnage stated he and Town Manager Snow Bowden visited the depot the previous week and he could not believe what he saw. The floor was rotten and the ticket booth needs to be thrown away. He stated the Board should have funded securing the roof when we had the chance. He stated the Depot is a total disaster and needs to be cleaned out on the inside. He asked if Mark and his employees could do the work.

Commissioner stated that if it is not safe, then Mark and none of our employees should be inside.

Mayor Pro Tem Randy Baker stated that is this a worthwhile project but he wants to know how we can afford it. Comments have been made that the Town is debt-free but there are still monthly obligations that we have budgeted for. When the Depot discussion was first made, there were funds that were allocated for a textile museum. We had those funds and he believed that the Town Board had all the intention to use those funds to fix the Depot but the Town of Erwin lost those funds. Since we no longer have those funds, we only have our day-to-day operating funds. He stated we all have our wants and desires but we have to look at the funds. Town Manager Snow Bowden submitted the Board with the architect's project costs which are estimated to be a total of \$865,000.

Commissioner McKoy arrived at 6:10 PM.

Town Manager Snow Bowden stated the estimates are pre-COVID so the costs may go up 10-20%.

Discussion continued amongst the Board and Staff about the provided estimates.

MINUTES CONTINUED FROM OCTOBER 25, 2021

Mayor Pro Tem Randy Baker stated he is looking for options. To get the Building back to its original standing it would cost roughly \$350,000-\$370,000. He asked Town Manager Snow Bowden where the funding will come from.

Town Manager Snow Bowden stated that Town Staff recommended potentially raising taxes. Right now, every cent of taxes is about \$28,000 in additional revenue. He does not believe he can trim any more money out of the budget.

Commissioner Turnage stated he recommended borrowing \$700,000. He felt like the Town could take the money we are receiving from the Cell Tower which is \$2,172 and help pay the loan. He stated we do not know what it is going to cost until we put out bids.

Town Manager Snow Bowden stated that Town Staff recommended not relying on Cell Tower rent because it is not guaranteed.

Discussion continued amongst the Board and Staff on the steps on applying for a loan and options on how to fund the Depot Project.

Commissioner Turnage proposed putting panels on the roof to help with the annual cost.

Commissioner Alvarado stated she felt that this is a worthwhile project for not only our current generation but for the others coming behind us to be able to look at the history of the Town, especially with the new school. The Town is headed in an awesome place and we need to preserve our history as best we can. She stated she was not on the Board when the Depot discussion first started but she would love to see it restored and then once that is paid off, maybe we could move on in phases. At the same time, she wanted to make sure we are not putting the Town in a bad financial situation.

Commissioner Whitman stated he is for the Project but the Cell Tower money is not guaranteed and the contract is not guaranteed. He wanted to know where the money is going to come from. He stated he is against putting the Town in debt of half of a million dollars or raising taxes on our citizens. He did not feel that the Town could afford it.

Commissioner Blackmon stated with USDA, you will not get a lower rate than that. USDA also offers a certain percent of grant money calculated by your population and they require to be involved in the project from the beginning and will inspect the building every year or two. He stated if we are going to do this project, and he felt we should, we need to do it all at once instead of in phases. We need to move forward, put it out for bids, and review the numbers. We can not depend on the Cell Tower money to pay back our debt but it could help with the operational costs while we have it. He stated the Depot would be a great asset to the Town. He recommended Town Manager Snow Bowden to reach out and have new plans produced that are up to new code. By the time we have new plans and review them, put out for bids, and receive them back,

MINUTES CONTINUED FROM OCTOBER 25, 2021

the Board will have a good idea of how the revaluation next year will affect the Town. USDA's budget starts October 1st, so this is a good time to try and get money.

Commissioner McKoy stated we can sit here and talk about how beautiful the Depot would be, how nice it would be, how we need to preserve our history but at the same time, we need to be realistic. He is for the project, he felt it would be a nice addition to the Town but he is not for raising taxes on the backs of the citizens of Erwin. When that building was moved in 2016, it cost over \$15,000. Is that money just blown in the wind? He needs to make a decision, we cannot just throw that money away and it is time to act expeditiously.

Mayor Pro Tem Baker stated every citizen would benefit from this project. He asked his fellow Commissioner to reserve and use the community enhancement funding to fund this project. Right now, we have \$193,000 we have collected from the cell tower since the creation of the tower. He wants to hear from the citizens. This discussion affects every citizen in Erwin. He would like community input and proposed posing a question on our upcoming election ballots in March and posting it in the Daily Record. He stated the Board needed to agree on a clear direction at this meeting.

Discussion continued amongst the Board.

The consensus of the Board was to instruct Town Manager Snow Bowden to reach out to the architect to get a quote on recreating the plans and get bids put out. The Board agreed to reserve the community enhancement funding to fund this project.

Si Harrington III of 503 South 11th Street addressed the Board. He stated they completely understand the Board's position but appreciate the Board for supporting to preserve our history.

Joey Powell of 600 East E Street addressed the Board. He stated he agreed with Mr. Harrington, he thanked the Board for their consideration. He stated he also does not support a tax increase. He offered to help with fundraising in the future to supplement these funds.

Gay Wilson of 110 Morgan Street addressed the Board. She offered, if the Depot is restored, to go work at the museum to keep it open more than two days a week.

Mayor Pro Tem Baker asked the Board if they would entertain the idea of having a dedication or naming of the building in remembrance of the late Joe Johnson.

CLOSED SESSION

Commissioner Alvarado made a motion to go into Closed Session in Pursuant to General Statute 143-318.11 (a) (6) for the Purpose of Discussing Personnel at 6:58 PM and was seconded by Commissioner McKoy. **The Board voted unanimously.**

MINUTES CONTINUED FROM OCTOBER 25, 2021

RECONVENED

Commissioner Mckoy made a motion to go back in regular session at 7:17 PM and was seconded by Commissioner Turnage. **The Board voted unanimously.**

ADJOURNMENT

Commissioner Whitman made a motion to adjourn at 7:18 P.M. and was seconded by Commissioner Mckoy. **The Board voted unanimously.**

ERWIN BOARD OF COMMISSIONERS

REGULAR MINUTES

NOVEMBER 4, 2021

ERWIN, NORTH CAROLINA

The Board of Commissioners for the Town of Erwin with Mayor Patsy Carson presiding held its Regular Meeting in the Erwin Municipal Building Board Room on Thursday, November 4, 2021, at 7:00 P.M. in Erwin, North Carolina.

Board Members present were: Mayor Patsy Carson, Mayor Pro Tem Randy Baker, and Commissioners William Turnage, Ricky Blackmon, Alvester McKoy, Thurman Whitman, and Melinda Alvarado.

Town Manager Snow Bowden, Town Clerk Lauren Evans, Police Chief Jonathan Johnson, Public Works Director Mark Byrd, Town Attorney Tim Morris, and Town Engineer Bill Dreitzler were present.

Commissioner McKoy gave the invocation.

Public Works Director Mark Byrd led the Pledge of Allegiance.

AGENDA ADJUSTMENT/APPROVAL OF AGENDA

Mayor Pro Tem Baker made a motion to approve the presented agenda and was seconded by Commissioner Blackmon. **The Board voted unanimously.**

CONSENT

Commissioner McKoy made a motion to approve **(ITEM A)** Minutes of Regular Workshop on September 27, 2021 **(ITEM B)** Minutes of Regular Meeting on October 7, 2021 **(ITEM C)** Financial Report for September 2021 **(ITEM D)** Proclamation Commemorating Town of Erwin School Choice Week and was seconded by Commissioner Blackmon. **The Board voted unanimously.**

PUBLIC COMMENT

James McCray of 700 N 15th Street came forward and addressed the Board. He expressed his concern for the plant opening on 14th street. The big trucks carrying rocks and dirt, speeding up

MINUTES CONTINUED FROM NOVEMBER 4, 2021

and down the road, there are children who live in that neighborhood and it's dangerous. The dust is in the air, it is bad for people to breathe and the trucks are loud. He stated the owner is wanting to crush concrete and he wants to Board to find him some other way for the owner to get to his property.

Gerry Bell of 805 N 14th Street came forward and addressed the Board. He stated he lives on the same road as the plant and those trucks started running at 7:30 AM until 8:45 PM on Saturday. It is a residential area and this should not be tolerated. He stated he spoke with the owner who stated he was going to put a machine shop in that building but by the look of the building, that was not the plan. In the back of the building, there is a concrete crushing machine in the back of the building. He expressed his concern for his grandson and the other children in the neighborhood's safety who play basketball in front of his house. He stated his grandson has asthma and it will hurt his health as well as other people with underlying conditions in the community. He asked the Board to shut down the plant.

Arletha Melvin of 714 N 16 Street came forward and addressed the Board. She stated her sister lives next door to the plant and she has underlying conditions. People cannot clean their windows or dust their porches off with all the dust in the air for the concrete.

Jay Sills of 200 D Street in Erwin came forward and addressed the Board. He stated some kids threw a rock and hit the new swing at his home the other night. He called the Police and they knew exactly who they were. He stated that citizens should not have to police children not being taken care of. He informed the Board that something needs to be done about these people running around with no discipline.

PRESENTATION OF CITIZEN OF THE MONTH

Robin W. Riddle of 204 West A Street was recognized as the November 2021 Citizen of the Month. Mayor Patsy Carson presented her with a Proclamation Plaque.

OLD BUSINESS

Community Economic Recovery and Resiliency Initiative (CERRI)

The Community Economic Development Planner for the North Carolina Department of Commerce, Bruce Naegelen, came forward and addressed the Board. He explained to the Board all the good the Community Economic Recovery and Resiliency Initiative (CERRI) can do to assist the Town. They work with the Town to find a solution based on extending and improving what the Town already has. He provided a slideshow and informed the Board of the steps of the

MINUTES CONTINUED FROM NOVEMBER 4, 2021

Program. He stated the only cost to the Town would be the mileage for him from Clayton to Erwin. They would work alongside our COG in an effort for the Town of Erwin.

Justin Hembree, Director of Mid-Carolina Regional Council, came forward and expressed his support for the program. He stated from experiences of other jurisdictions, this would be a really unique opportunity and it would show the Town how resilience planning has really evolved.

Mayor Pro Tem Baker made a motion to approve the Resolution Requesting Participation in the Community Economic Recover and Resiliency Initiative (CERRI) and the Associated Services from the North Carolina Department of Commerce, Rural Economic Development Division, NC Main Street & Rural Planning Center- Planning Program and was seconded by Commissioner McKoy. **The Board voted unanimously.**

Mayor Pro Tem Baker made a motion to authorize Town Manager Snow Bowden to sign the Memorandum of Understanding for Community Economic Recover and Resiliency Initiative (CERRI) to assist the Town of Erwin and was seconded by Commissioner Alvarado. **The Board voted unanimously.**

Redistricting

Town Manager Snow Bowden informed the Board that the data received in October was not clear. Staff reached out to some other Towns and some have hired law firms to help or reached out to their COG. As best as we can tell, our census numbers have not changed much so staff does not feel we will need to redistrict. We will make sure it is done correctly.

Commissioner Blackmon recommended reaching out to the NCLM to see if they have any guidelines.

NEW BUSINESS

Street Sweeper

Town Manager Snow Bowden stated that he is requesting for the Board to consider using part of the ARP dollars to purchase a new street sweeper. It is an eligible expenditure under the Clean Water Act and would require an amendment to our Capital Project Ordinance to accept the first tranche. Any new sweeper would be over \$90,000 and require formal bidding. There is a website for bidding called Sourcewell which is made up of companies that have equipment such as Street Sweepers and it meets the formal federal bidding requirements. He will be sure that Sourcewell can be used for ARP funds. He asked for the Board's approval.

The consensus of the Board was to instruct Town Manager Snow Bowden to put together a packet to send out for formal bids.

MINUTES CONTINUED FROM NOVEMBER 4, 2021

Erwin Public Library Fine Free Policy

Erwin Librarian, Kimberly Van Beck came forward and asked the Board to support ‘The Fine Free Library Initiative’ for the Erwin Public Library. The County has already approved their library to be fine free but Municipalities in the County must approve as well to move forward. She stated if approved, the Library will no longer require late fees for books and DVDs but will still require the cost of the material if it is lost or damaged.

Commissioner Blackmon made a motion to approve ‘The Fine Free Library Initiative’ and was seconded by Mayor Pro Tem Baker. **The Board voted unanimously.**

CLOSED SESSION

Mayor Pro Tem Baker made a motion to go into Closed Session in Pursuant to General Statute 143-318.11 (a) (6) for the Purpose of Discussing Personnel and General Statute 143-318.11(a) (4) for the Purpose of Discussing Economic Development at 7:54 PM. and was seconded by Commissioner Turnage. **The Board voted unanimously.**

RECONVENED

Mayor Pro Tem Baker made a motion to go back in regular session at 8:10 PM and was seconded by Commissioner Alvarado. **The Board voted unanimously.**

MANAGER’S REPORT

Town Manager Snow Bowden stated that staff has sat in on many webinars for ARP and is knowledgeable on how to handle the funds. He congratulated Town Clerk Lauren Evans on her completion of Clerk Institute. He informed the Board that the Erwin Chamber will be having the Erwin Christmas Parade on the first Monday in December. They will also be having Holidays Denim Days and the Tree Lighting on December 4th. The new Chamber Administrator, Sheveil Harmon, just began and he felt she will be a great asset to the Town.

ATTORNEY’S REPORTS

Town Attorney Tim Morris thanked the Board for allowing him to be their attorney. He stated the Board is doing a wonderful job of being diplomatic and listening to the residents of Erwin.

MINUTES CONTINUED FROM NOVEMBER 4, 2021

GOVERNING COMMENTS

Commissioner McKoy congratulated Town Clerk Lauren Evans on her completion of Clerk Institute. He inquired about the ditch over at Porter Park.

Town Manager Snow Bowden stated that is one of the projects he planned to ask the Board to use the ARP dollars for to invest back into the Community.

Commissioner Blackmon inquired about the easement on E I Street.

Town Manager Snow Bowden stated he and Town Engineer Bill Dreitzler are working on a formal Storm Water Policy.

Commissioner Blackmon stated in the meantime, we need to fix the pipe. The Town put the pipe in and it is just going to keep collapsing. He asked Town Manager Snow Bowden to follow up on the issue

Commissioner Whitman congratulated Town Clerk Lauren Evans on her completion of Clerk Institute and thanked her for the job she does.

Mayor Carson congratulated Town Clerk Lauren Evans on her completion of Clerk Institute. She informed that she had a Mayor's Dinner with the Mayors from Coats, Angier, and Lillington. At the dinner, they discussed the growth that is coming our way. She stated the Board needs to start looking at and preparing for the growth. We need more commercial businesses and we need more houses. She informed the Board that there will be a float for the Board at the Christmas Parade and she wants to see everyone riding on it together.

Commissioner Alvarado stated she would love to see the Town work with the Harnett County School Board and have an open house for the community to come and see the new school when it is finished.

Mayor Pro Tem Baker congratulated Town Clerk Lauren Evans on her completion of Clerk Institute. He thanked everyone for their thoughts and prayers for his wife and his parents. He thanked the Board for their support with the 4-way and 3-way stop signs on his road. He has been thanked by many residents in the area. He inquired about updated numbers for the Depot.

Town Manager Snow Bowden stated he sent an email but has not heard back yet. He will plan to have updated numbers at the meeting next month.

Commissioner Turnage informed the Board that Goodfellows will be putting flags out at the cemetery in honor of Veterans Day. He thanked the Board for their support with the Depot. He stated that we are going in the right direction now.

MINUTES CONTINUED FROM NOVEMBER 4, 2021

ADJOURNMENT

Commissioner Blackmon made a motion to adjourn at 8:37 P.M. and was seconded by Commissioner Whitman. **The Board voted unanimously.**

Erwin Board of Commissioners

REQUEST FOR CONSIDERATION

To: The Honorable Mayor and Board of Commissioners

From: Snow Bowden, Town Manager

Date: December 2, 2021

Subject: 2022 Meeting Schedules

I have included the proposed meeting dates for the Town Board and Planning Board/Board of Adjustments for the year 2022. In our ordinance, it states that the Town Board meetings are on the first Thursday of the month. I have also included a list of proposed workshop meetings which would be held at 6 PM on the fourth Monday of the month. If there is nothing to present then the workshop meeting would be canceled.

The Planning Board would like to be more involved in the community and has requested that we start having joint workshop meetings. I think that these meetings are a great idea. We could schedule those sometime next year.

Erwin Board of Commissioners

REQUEST FOR CONSIDERATION

To: The Honorable Mayor and Board of Commissioners

From: Snow Bowden, Town Manager

Date: December 2, 2021

Subject: Audit Presentation

Our auditor Bryon Scott is here to present the audit on the Fiscal Year 2020-2021. It has been submitted to the LGC but has not yet been approved. We wanted to go ahead and have the presentation due to some scheduling conflicts in January 2021.

Erwin Board of Commissioners

REQUEST FOR CONSIDERATION

To: The Honorable Mayor and Board of Commissioners

From: Snow Bowden, Town Manager

Date: December 2, 2021

Subject: SU-2021-006

The town has received a special use permit application to open a beauty salon as a customary home occupation at 104 West C Street. The property owner is aware of the requirements to operate a beauty salon as a customary home occupation. Her clients will be parking in her driveway.

Attachments:

- SU-2021-006 Application
- SU-2021-006 Staff Report
- Harnett County GIS image with zoning
- Harnett County GIS image with no zoning
- Information about a customary home occupation from our Ordinance
- Property owners notified

Suggested Motions:

For legal purposes, Staff recommends that 3 separate recommendations be made:

1. I move to recommend that the proposed special use application:
 - a. Meets all the Findings of Fact in the Affirmative, or
 - b. Meets one or more of the Findings of Fact in the negative (if this motion is made, then the application would have to be recommended for denial.)
2. I move that:
 - a. The proposed amendment is consistent with those documents that constitute the officially adopted land development plan and other applicable plans: or
 - b. The proposed amendment is not consistent with those documents that constitute the officially adopted land development plans and other applicable plans, in that (state reason(s) for nonconsistency).

3. I move to recommend:
 - a. Approval of SU-2021-006 Special Use Application to open a beauty salon inside their home as a customary home occupation located at 104 West C Street. (HC Tax PIN #0597-62-4740.000)
 - b. Denial of SU-2021-006 Special Use Application to open a beauty salon inside their home as a customary home occupation located at 104 West C Street. (HC Tax PIN #0597-62-4740.000)
 - c. Approval of SU-2021-006 Special Use Application to open a beauty salon inside their home as a customary home occupation located at 104 West C Street. (HC Tax PIN #0597-62-4740.000) with additional conditions (state conditions).

Special Use Signature Page

It is understood by the undersigned that the development and execution of the Special Use Permit is based upon the division of the Town into districts within which districts the use of land and buildings, and the bulk and location of buildings and structures in relation to the land, is substantially uniform. It is recognized, however, that there are certain uses which, because of their characteristics, cannot be properly classified in any particular district or districts, without consideration, in each case, of the impact of those uses upon neighboring land and of the public need for the particular location. Such special uses fall into two categories.

1. Uses publicly operated or traditionally affected with a public interest
2. Uses entirely private in character, but of such unusual nature that their operation may give rise to unique problems with respect to their impact upon neighboring property or public facilities.

The Zoning Ordinance as originally adopted and as subsequently amended is presumed by the Town to be appropriate to the property involved and that the burden of proof for a Special Use approval rests with the applicant. Applicant is encouraged to discuss the proposed use with affected property owners.

It is further understood that prior to the granting of any special use, the Board of Commissioners may stipulate, such conditions and restrictions upon the establishment, location, reconstruction, maintenance, and operation of the special use as it is deemed necessary for the protection of the public interest and to secure compliance with the standards and requirements specified in 9- 411.5 of the Town Code. In all cases in which special uses are granted, the Board of Commissioners shall require such evidence and guarantees as it may deem necessary as proof that the conditions stipulated in connection therewith are being and will be complied with.

- Such conditions may include a time limitation;
- Conditions may be imposed which require that one or more things be done before the use requested can be initiated. (For example, "that a solid board fence be erected around the site to a height of 6 feet before the use requested is initiated");
- Conditions of a continuing nature may be imposed. (For example, "exterior loud speakers shall not be used between hours of 10:00 p.m. and 9:00 a.m.")

Compliance with Other Codes: Granting of a Special Use Permit does not exempt applicant from complying with all of the requirements of building codes and other ordinances.

SU- 2021 - 02

Signature Page

Page 1 of 2

Revocation: In any case where the conditions of the Special Use Permit have not been or are not being complied with, the Building Inspector shall give the permitted notice of intention to revoke such permit at least ten (10) days prior to a Board of Commissioners review thereof. After conclusion of the review, the Board of Commissioners may revoke such permit.

Expiration: In any case where a Special Use Permit has not been exercised within the time limit set by the Board of Commissioners, or within one year if no specific time limit has been set, then without further action, the permit shall be null and void. "Exercised" as set forth in this section shall mean that binding contracts for the construction of the main building have been let; or in the absence of contracts that the main building is under construction to a substantial degree; or that pre-requisite conditions involving substantial investment are contracted for, in substantial development, or completion (sewer, drainage, etc.). When construction is not part of the use, "exercised" shall mean that the use is in operation in compliance with the conditions set for in the permit.

Duration: Duration of a special use and any conditions attached shall be perpetually binding to the property unless it is expressly limited.

Special Use Guidelines for Findings of Fact**

1. The use requested is listed among the special uses in the district for which application is made:

 Yes No _____

2. The requested use is essential or desirable to the public convenience or welfare

 Yes No _____

3. The requested use will not impair the integrity or character of the surrounding or adjoining districts, nor be detrimental to the health, morals, or welfare

 Yes No _____

4. The requested use will be in conformity with the Land Development Plan

 Yes No _____

5. Adequate utilities, access roads, drainage, sanitation and/or other necessary facilities have been or are being provided

 Yes No _____

6. That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets

 Yes No _____

7. That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the Board of Commissioners pursuant to the recommendations of the Planning Board

 Yes No _____

TOWN OF ERWIN

100 West F St., Post Office Box 459
Erwin, NC 28339
(910) 897-5140 V (910) 897-5543 F
www.erwin-nc.org

SPECIAL USE APPLICATION PROCEDURES

1. Completed application for the Special Use Permit, signed by the applicant, shall be addressed to the Board of Commissioners and presented to the Administrative Official. Applications must be submitted by the first Friday of the month prior to the following Town Board.
2. Each application shall contain or be accompanied by such legal descriptions, maps, plans and other information so as to completely describe the proposed use and existing conditions.
3. Pay the Special Use Permit Fee as established by the Board of Commissioners and found in the Schedule of Fees in the Office of the Town Clerk. Current fee is \$300.

Conditions and Guarantees

Prior to the granting of any special use, the Board of Commissioners may stipulate, such conditions and restrictions upon the establishment, location, reconstruction, maintenance, and operation of the special use as is deemed necessary for the protection of the public interest and to secure compliance with the standards and requirements specified by ordinance. In all cases in which special uses are granted, the Board of Commissioners shall require such evidence and guarantees as it may deem necessary as proof that the conditions stipulated in connection therewith are being and will be complied with.

- Such conditions may include a time limitation;
 - Conditions may be imposed which require that one or more things be done before the use requested can be initiated. (For example, "that a solid board fence be erected around the site to a height of 6 feet before the use requested is initiated");
 - Conditions of a continuing nature may be imposed. (For example, "exterior loud speakers shall not be used between hours of 10:00 p.m. and 9:00 a.m.")
1. Administrative official posts property at least one (1) week prior to public hearing
 2. Newspaper advertisement once (1) each week for two (2) successive weeks prior to the public hearing
 3. The Board of Commissioners shall approve, modify or deny the application for Special Use Permit following the public hearing.

Action by the Board of Commissioners

In granting a Special Use Permit the Board of Commissioners shall make written findings that the applicable regulations of the district in which it is located are fulfilled. With due regard to the nature and state of all adjacent structures and uses, the district within which same is located, and official plans for future development, the Board of Commissioners shall also make written findings that the following provisions are fulfilled:

1. The use requested is listed among the special uses in the district for which application is made
2. The requested use is essential or desirable to the public convenience or welfare
3. The requested use will not impair the integrity or character of the surrounding or adjoining districts, nor be detrimental to the health, morals, or welfare
4. The requested use will be in conformity with the Land Development Plan
5. Adequate utilities, access roads, drainage, sanitation and/or other necessary facilities have been or are being provided
6. That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets
7. That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the Board of Commissioners.

TOWN OF ERWIN

Erwin, NC 28339
(910) 897-5140 V (910) 897-5543 F
www.erwin-nc.org

IMPORTANT

This is a complete Special Use Application package consisting of 10 pages. For this application to be accepted, it must be completed and returned with all required documents and entries.

Do be aware that under certain conditions the applicant may be required to obtain a Driveway Permit from the NC Department of Transportation prior to Special Use Permit approval.

Using the Zoning Ordinance

- Go to the applicable zoning district in Article 3. That section will serve as a guide to begin the development of your site plan. This section will also direct you to pertinent requirements such as: parking, sign, lighting, and other general provision such as streetscape requirements and other general development regulations that may apply to the proposed development.
- Be sure to read Article 11 – Special Uses.
- Complete the Special Use Permit Application, the Special Use Signature page, and the Record of Adjacent Property Owners sheet; and include other required information with the application. Use additional pages if necessary. Adjacent property owners' names must be from current Harnett County tax listing; so this requires that the applicant contact Harnett County. Addresses of the adjacent property owners must be complete which includes name, mailing address, and zip code.
- The submitted site plan must be drawn to scale and include all dimensions and required provision. Of these dimensions and other requirements, be sure to include the following:
 - Existing structures on the proposed lot, their dimensions and distances between on another and the lot's property lines
 - Proposed structures including their dimensions and distances from other structures on the lot and proposed distances from property lines (i.e. setbacks)
 - All easements and rights-of-way located on the proposed lot
 - All natural features including tree lines, drainage ways, etc.
 - The location and dimensions of required parking area(s) as may be required by Ordinance
 - Proposed lighting plans as may be required by Ordinance
 - Demonstration of the placement of buffers and streetscape as may be required by ordinance

TOWN OF ERWIN

100 West F St., Post Office Box 459
Erwin, NC 28339
(910) 897-5140 V (910) 897-5543 F
www.erwin-nc.org

Processing Requirements

Special Uses are not Uses by Right. It is the responsibility of the applicant to demonstrate that the requested use will meet the minimum requirements set forth in the Erwin Zoning Ordinance. The Board's decision will be greatly influenced by the completeness and neatness of the submitted application.

A requested and very necessary tool is the site plan. Its importance cannot be overstated. Applicant is encouraged to portray in detail and to accurately scale the property boundaries, improvements, and any natural features. In some cases, approval or denial may depend on the quality of the Site Plan.

If the proposed use involves business operations, description of the anticipated activity needs to be sufficiently disclosed. This will assist the Board in determining the Town's infrastructure capability, the public health and safety considerations such as traffic and noise, and how neighboring property may be affected.

All uses require dedicated parking spaces and some may require lighting, buffering, fences, landscaping, and other elements. It is suggested that the applicant spend some time reading the Town's Zoning Ordinance prior to application. Copies of the Zoning Ordinance may be purchased at Town Hall. Copies are available in the Erwin Library and Town Hall for review. An electronic copy of the Ordinance can be found on the Town website as well at www.erwin-nc.org.

A complete application consists of all documents included in the application package and any required maps, site plan, and/or related documents. These documents become the property of the Town. It is the applicant's responsibility to submit 10 copies of this completed application. Each member of the Governing Board receives a copy including the Town Manager, Town Clerk, Town Attorney, and Code Enforcement Officer.

The completed application and fees must be submitted no later than the first Friday of the month to be placed on following month's Town Board Agenda.

Erika's New Style

10/25/2021

104 W C ST Erwin, NC 28339

Dear Recipient:

I want to present this Letter of Intent to the City of Erwin committee board and the community to signify my interest in opening my beauty salon within my residency.

My small business, Erika New Style, started back in 2010 at Denim Dr in Erwin after graduating from Cosmetology school. I am the sole stylist in my salon, and my services consist of professional hair cutting, hair styling, and facials by appointment only.

In the past two years, due to the national pandemic, my business has struggled. Rent at my current location has increased, and I am down to a handful of loyal clients. I know that my time for renting a location has come to an end; however, my love for my profession has not changed. I desire to continue to be self-employed and open my salon at home for friends and family. My salon would continue to be by appointment only, and I would have about a customer or two a day. Another benefit to having my own business at home would be having more time for my three-year-old.

I appreciate your time for reading my letter.

Sincerely,

Erika B. Morales Lopez.

SPECIAL USE REQUEST STAFF REPORT

Case: SU-2021-006

Zoning District Compatibility

Special Use	RMV
Customary Home Occupation	X

Staff Evaluation

Staff Evaluation

Yes No The use requested is listed among the special uses in the district for which the application is made.

- **Reasoning:** Customary home occupations are allowed as a special use in the Residential Mill Village Zoning District. The customary home occupation is required to take place inside of the home and not in an accessory building.

Yes No The requested use is essential or desirable to the public convenience or welfare.

- **Reasoning:** The applicant is requesting a special use permit to open a customary home occupation inside her home. She provides a needed service to area.

Yes No The requested use will not impair the integrity or character of the surrounding or adjoining districts, nor be detrimental to the health, morals, or welfare. .

- **Reasoning:** This is an existing home. The home occupation will be inside the home and there will not impact the district.

Yes No The requested use will be in conformity with the Land Development Plan.

- **Reasoning:** This area of land would be in the area identified for medium intensity growth. The plan calls for medium to high density mixed residential uses. The classification also includes low impact neighborhood businesses.

Yes No Adequate utilities, access roads, drainage, sanitation and/or other necessary facilities have been or are being provided.

- **Reasoning:** This is an existing single family dwelling. She is expanding the side of the house but for the home occupation. The addition to the home will follow all zoning guidelines.

Yes No That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.

- **Reasoning:** This is an existing single family dwelling. All of her clients will park in her existing drive-way.

Yes No

That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the Board of Commissioners.

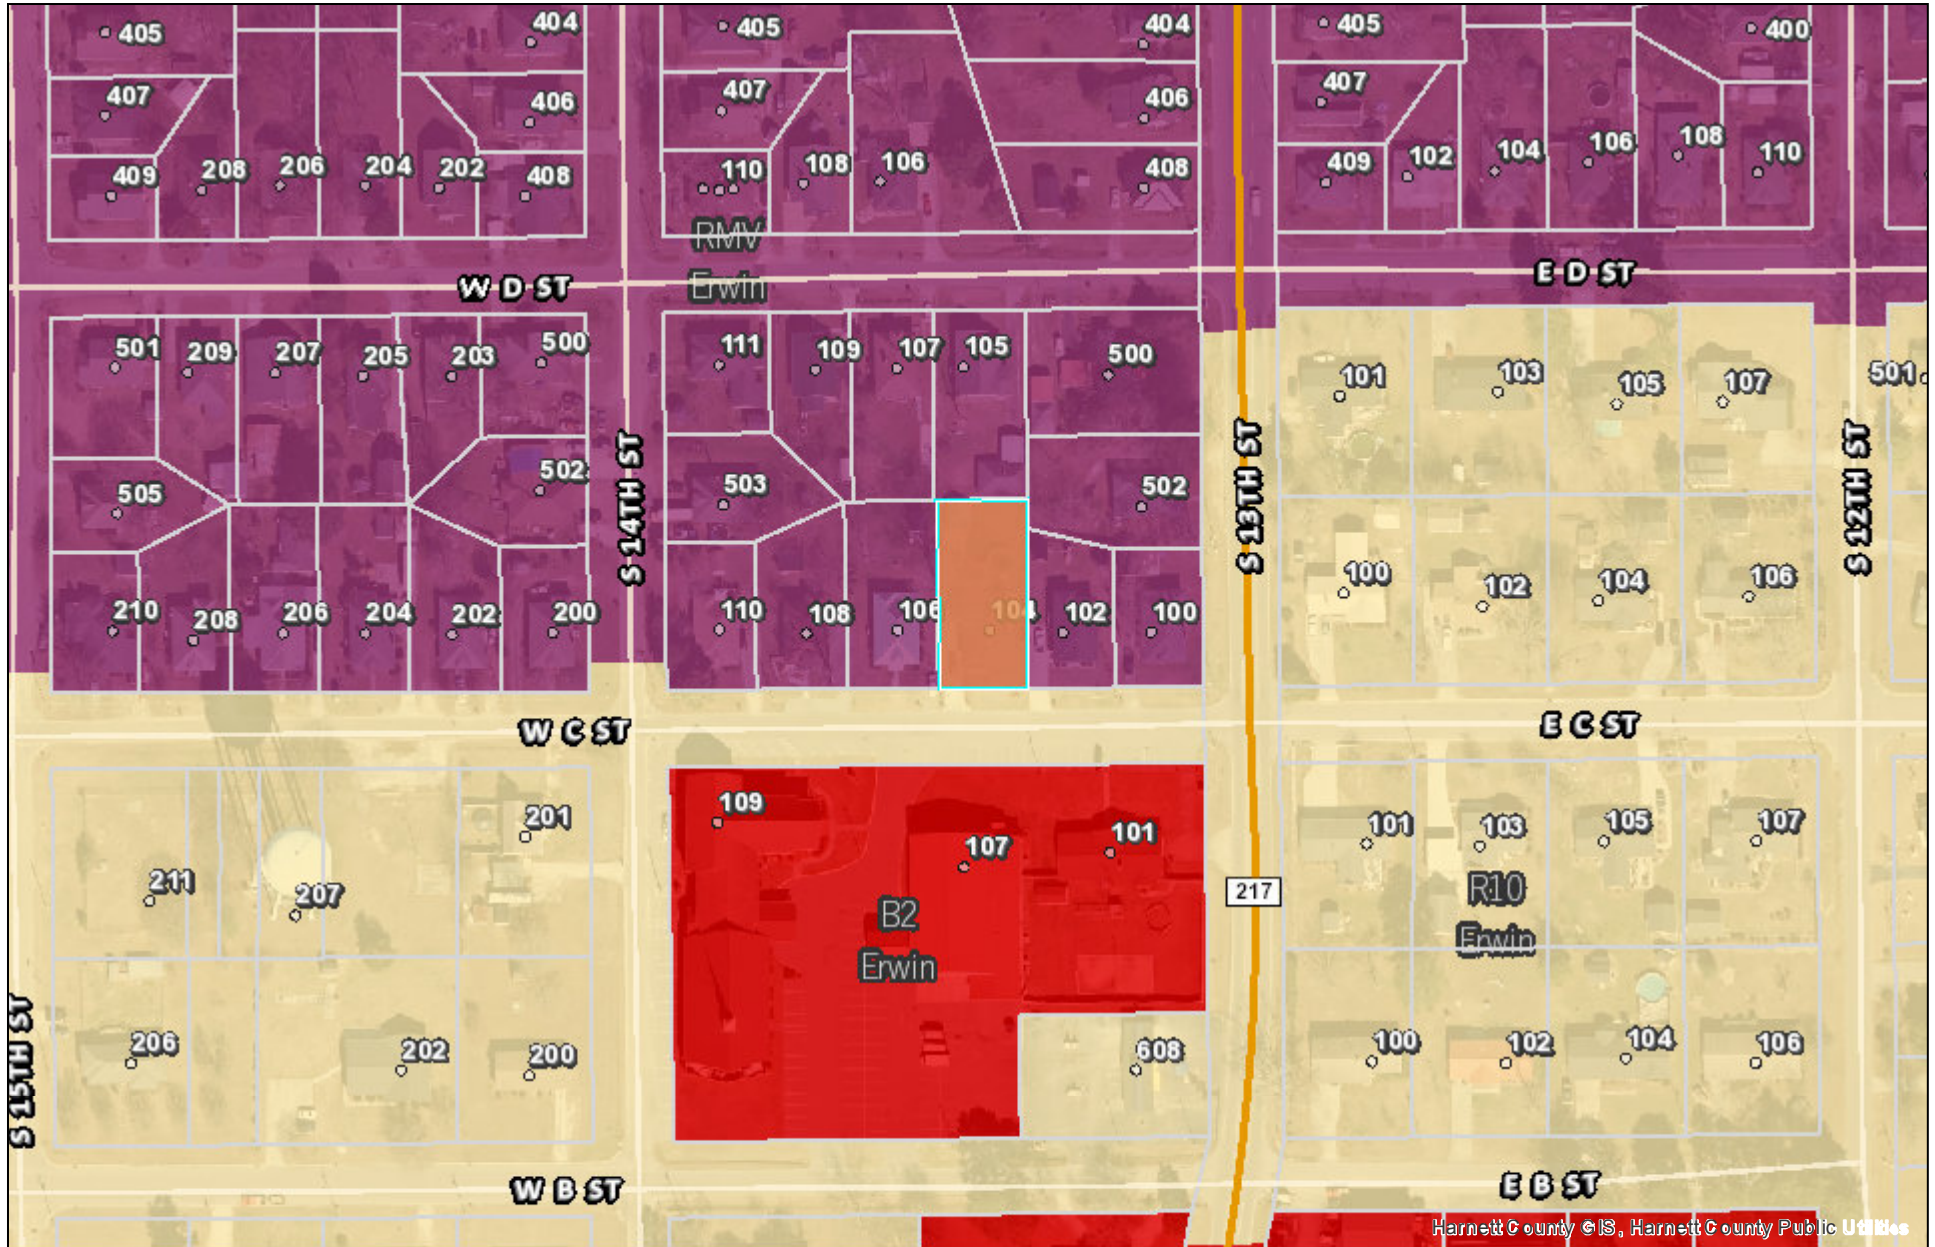

- **Reasoning:** If this special use permit is granted the applicant will need to follow all of the guidelines for a customary home occupation in our Code of Ordinances (attached)

Customary home occupation means any profession or occupation carried on by a member of a family provided that the occupational use is clearly incidental and secondary to the use of the building for residential purposes and does not change the character thereof, and that not over 25 percent of the total actual floor area of any structure is used for home occupations or professional purposes. (See article XV of this chapter for additional requirements.)

The following regulations apply to customary home occupations:

- (1) Such business shall not change the character of the dwelling.
- (2) Such business may not use any portion of an accessory building/structure.
- (3) Employees are restricted to family members that reside at the home.
- (4) No outside storage associated with the home occupation is permitted.
- (5) No more than 25 percent of the home shall be used in connection with the home occupation.
- (6) No display or advertising is permitted.
- (7) No off-street parking will be permitted in connection with the home occupation.
- (8) Animal care services, which may include pet trimming and washing, are expressly prohibited as home occupations.
- 9) Activities engaging in the business of conducting a barbershop, beauty salon or parlor, or other cosmetology services as approved by the governing board.

Erwin Board of Commissioners

REQUEST FOR CONSIDERATION

To: The Honorable Mayor and Board of Commissioners

From: Snow Bowden, Town Manager

Date: December 2, 2021

Subject: SU-2021-007

The town has received a special use permit application to build four town homes on a vacant parcel at the corner of Maye Street and Jenkins Street. The property can also be identified by its Harnett County Tax PIN # 1507-50-4906.000. There is a drainage easement on this property. The drainage ditch on this property is considered a blue line stream. The ditch/culvert under Maye Street was a part of the first phase of the East Erwin Drainage project that we completed in 2020. A small section of this parcel is in the 500-year flood plain but none of the proposed development would be located in any of the flood plain.

- Deed

Suggested Motions:

For legal purposes, Staff recommends that 3 separate recommendations be made:

1. I move to recommend that the proposed special use application:
 - a. Meets all the Findings of Fact in the Affirmative, or
 - b. Meets one or more of the Findings of Fact in the negative (if this motion is made, then the application would have to be recommended for denial.)

2. I move that:
 - a. The proposed amendment is consistent with those documents that constitute the officially adopted land development plan and other applicable plans: or
 - b. The proposed amendment is not consistent with those documents that constitute the officially adopted land development plans and other applicable plans, in that (state reason(s) for nonconsistency).

3. I move to recommend:
 - a. Approval of SU-2021-007 Special Use Application to build four townhomes on the vacant parcel at the corner of Maye Street and Jenkins Street (HC Tax PIN #1507-50-4906.000)
 - b. Denial of SU-2021-007 Special Use Application to build four townhomes on the vacant parcel at the corner of Maye Street and Jenkins Street (HC Tax PIN #1507-50-4906.000)
 - c. Approval of SU-2021-007 Special Use Application to build four townhomes on the vacant parcel at the corner of Maye Street and Jenkins Street (HC Tax PIN #1507-50-4906.000)with additional conditions (state conditions).

Special Use Signature Page

It is understood by the undersigned that the development and execution of the Special Use Permit is based upon the division of the Town into districts within which districts the use of land and buildings, and the bulk and location of buildings and structures in relation to the land, is substantially uniform. It is recognized, however, that there are certain uses which, because of their characteristics, cannot be properly classified in any particular district or districts, without consideration, in each case, of the impact of those uses upon neighboring land and of the public need for the particular location. Such special uses fall into two categories.

1. Uses publicly operated or traditionally affected with a public interest
2. Uses entirely private in character, but of such unusual nature that their operation may give rise to unique problems with respect to their impact upon neighboring property or public facilities.

The Zoning Ordinance as originally adopted and as subsequently amended is presumed by the Town to be appropriate to the property involved and that the burden of proof for a Special Use approval rests with the applicant. Applicant is encouraged to discuss the proposed use with affected property owners.

It is further understood that prior to the granting of any special use, the Board of Commissioners may stipulate, such conditions and restrictions upon the establishment, location, reconstruction, maintenance, and operation of the special use as it is deemed necessary for the protection of the public interest and to secure compliance with the standards and requirements specified in 9- 411.5 of the Town Code. In all cases in which special uses are granted, the Board of Commissioners shall require such evidence and guarantees as it may deem necessary as proof that the conditions stipulated in connection therewith are being and will be complied with.

- Such conditions may include a time limitation;
- Conditions may be imposed which require that one or more things be done before the use requested can be initiated. (For example, “that a solid board fence be erected around the site to a height of 6 feet before the use requested is initiated”);
- Conditions of a continuing nature may be imposed. (For example, “exterior loud speakers shall not be used between hours of 10:00 p.m. and 9:00 a.m.”)

Compliance with Other Codes: Granting of a Special Use Permit does not exempt applicant from complying with all of the requirements of building codes and other ordinances.

SPECIAL USE APPLICATION PROCEDURES

1. Completed application for the Special Use Permit, signed by the applicant, shall be addressed to the Board of Commissioners and presented to the Administrative Official. Applications must be submitted by the first Friday of the month prior to the following Town Board.
2. Each application shall contain or be accompanied by such legal descriptions, maps, plans and other information so as to completely describe the proposed use and existing conditions.
3. Pay the Special Use Permit Fee as established by the Board of Commissioners and found in the Schedule of Fees in the Office of the Town Clerk. Current fee is \$300.

Conditions and Guarantees

Prior to the granting of any special use, the Board of Commissioners may stipulate, such conditions and restrictions upon the establishment, location, reconstruction, maintenance, and operation of the special use as is deemed necessary for the protection of the public interest and to secure compliance with the standards and requirements specified by ordinance. In all cases in which special uses are granted, the Board of Commissioners shall require such evidence and guarantees as it may deem necessary as proof that the conditions stipulated in connection therewith are being and will be complied with.

- Such conditions may include a time limitation;
 - Conditions may be imposed which require that one or more things be done before the use requested can be initiated. (For example, “that a solid board fence be erected around the site to a height of 6 feet before the use requested is initiated”);
 - Conditions of a continuing nature may be imposed. (For example, “exterior loud speakers shall not be used between hours of 10:00 p.m. and 9:00 a.m.”)
1. Administrative official posts property at least one (1) week prior to public hearing
 2. Newspaper advertisement once (1) each week for two (2) successive weeks prior to the public hearing
 3. The Board of Commissioners shall approve, modify or deny the application for Special Use Permit following the public hearing.

SU- 221 - 607

Action by the Board of Commissioners

In granting a Special Use Permit the Board of Commissioners shall make written findings that the applicable regulations of the district in which it is located are fulfilled. With due regard to the nature and state of all adjacent structures and uses, the district within which same is located, and official plans for future development, the Board of Commissioners shall also make written findings that the following provisions are fulfilled:

1. The use requested is listed among the special uses in the district for which application is made
2. The requested use is essential or desirable to the public convenience or welfare
3. The requested use will not impair the integrity or character of the surrounding or adjoining districts, nor be detrimental to the health, morals, or welfare
4. The requested use will be in conformity with the Land Development Plan
5. Adequate utilities, access roads, drainage, sanitation and/or other necessary facilities have been or are being provided
6. That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets
7. That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the Board of Commissioners.

IMPORTANT

This is a complete Special Use Application package consisting of 10 pages. For this application to be accepted, it must be completed and returned with all required documents and entries.

Do be aware that under certain conditions the applicant may be required to obtain a Driveway Permit from the NC Department of Transportation prior to Special Use Permit approval.

Using the Zoning Ordinance

- Go to the applicable zoning district in Article 3. That section will serve as a guide to begin the development of your site plan. This section will also direct you to pertinent requirements such as: parking, sign, lighting, and other general provision such as streetscape requirements and other general development regulations that may apply to the proposed development.
- Be sure to read Article 11 – Special Uses.
- Complete the Special Use Permit Application, the Special Use Signature page, and the Record of Adjacent Property Owners sheet; and include other required information with the application. Use additional pages if necessary. Adjacent property owners' names must be from current Harnett County tax listing; so this requires that the applicant contact Harnett County. Addresses of the adjacent property owners must be complete which includes name, mailing address, and zip code.
- The submitted site plan must be drawn to scale and include all dimensions and required provision. Of these dimensions and other requirements, be sure to include the following:
 - Existing structures on the proposed lot, their dimensions and distances between on another and the lot's property lines
 - Proposed structures including their dimensions and distances from other structures on the lot and proposed distances from property lines (i.e. setbacks)
 - All easements and rights-of-way located on the proposed lot
 - All natural features including tree lines, drainage ways, etc.
 - The location and dimensions of required parking area(s) as may be required by Ordinance
 - Proposed lighting plans as may be required by Ordinance
 - Demonstration of the placement of buffers and streetscape as may be required by ordinance

Processing Requirements

Special Uses are not Uses by Right. It is the responsibility of the applicant to demonstrate that the requested use will meet the minimum requirements set forth in the Erwin Zoning Ordinance. The Board's decision will be greatly influenced by the completeness and neatness of the submitted application.

A requested and very necessary tool is the site plan. Its importance cannot be overstated. Applicant is encouraged to portray in detail and to accurately scale the property boundaries, improvements, and any natural features. In some cases, approval or denial may depend on the quality of the Site Plan.

If the proposed use involves business operations, description of the anticipated activity needs to be sufficiently disclosed. This will assist the Board in determining the Town's infrastructure capability, the public health and safety considerations such as traffic and noise, and how neighboring property may be affected.

All uses require dedicated parking spaces and some may require lighting, buffering, fences, landscaping, and other elements. It is suggested that the applicant spend some time reading the Town's Zoning Ordinance prior to application. Copies of the Zoning Ordinance may be purchased at Town Hall. Copies are available in the Erwin Library and Town Hall for review. An electronic copy of the Ordinance can be found on the Town website as well at www.erwin-nc.org.

A complete application consists of all documents included in the application package and any required maps, site plan, and/or related documents. These documents become the property of the Town. It is the applicant's responsibility to submit 10 copies of this completed application. Each member of the Governing Board receives a copy including the Town Manager, Town Clerk, Town Attorney, and Code Enforcement Officer.

The completed application and fees must be submitted no later than the first Friday of the month to be placed on following month's Town Board Agenda.

Case: SU-2021-007

Snow Bowden, Town Manager

townmanager@erwin-nc.org

Phone: (910) 591-4200

Fax: (910) 897-5543

Public Hearing Date: Thursday, December 2nd, 2021

Requested special use permit to build four (4) town homes on a vacant parcel at the corner of Maye Street and Jenkins Street. The property can be identified by its Harnett County Tax PIN #1507-50-4906.000. The town homes would be on separate lots but it would consist of two separate buildings with a shared wall. Each proposed unit would be 1,450 square feet.

Property Description

Harnett County Tax PIN 1507-50-4906.000.

Acres .86

Zoning District- Residential (R-6)

Vicinity Map

- See Attached Document

Physical Characteristics

Site Description: This is a vacant parcel that is on the corner of Maye Street and Jenkins Street. There is an existing drainage ditch that is also considered a blue line stream. This drainage ditch was a part of the first phase of the East Erwin Drainage project that we completed back in 2020. There is a small section of this parcel that is also in the drainage ditch that is in the 500 year flood plain. But based on data from Harnett County GIS the rest of this parcel is not in a flood zone. There are also no protected wetlands on this property.

The completion of the first phase of the East Erwin Drainage project has helped alleviate some of the issues with flooding in this area of Town but there is still the possibility that flooding could be an issue in the future.

Surrounding Land Uses: This parcel is primarily surrounded by residential land uses. Most of those uses are single-family dwellings. There is a duplex adjacent to this property that is multi-family.

Staff Evaluation

Staff Evaluation

Yes No The use requested is listed among the special uses in the district for which the application is made.

- **Reasoning:** Townhomes are allowed as a special use in our R-6 Zoning District.

Yes No The requested use is essential or desirable to the public convenience or welfare.

- **Reasoning:** The applicant is requesting a special use permit to open build two (2) separate buildings that would consists of four (4) townhomes. They would not be near the drainage easement. These homes would provide another option in our housing inventory inside Town Limits. These homes would provide an option for our residents or potential residents that do not necessarily want a standalone single-family dwelling.

Yes No The requested use will not impair the integrity or character of the surrounding or adjoining districts, nor be detrimental to the health, morals, or welfare. .

- **Reasoning:** This proposed use would not have a negative impact on the area. There is a duplex that is adjacent to this parcel. The area is primarily made up of single-family dwellings.

Yes No The requested use will be in conformity with the Land Development Plan.

- **Reasoning:** This area of land would be in the area identified for medium intensity growth. The plan calls for medium to high density mixed residential uses.

Yes No Adequate utilities, access roads, drainage, sanitation and/or other necessary facilities have been or are being provided.

- **Reasoning:** This is a vacant tract of land. There is access to sewer and water. The drainage ditch on the rear side of the property does have a drainage easement. The applicant would have adequate parking for each townhome.

Yes No That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic congestion in the public streets.

- **Reasoning:** This is a vacant tract of land that would be accessed from Maye Street for all four units. These would be single-family dwellings. There should not be an issue with traffic congestion. There will be parking on the property for each unit. There would be no new proposed roads with this development.

Yes No That the special use shall, in all other respects, conform to the applicable regulations of the district in which it is located, except as such regulations may, in each instance, be modified by the Board of Commissioners.

- **Reasoning:** If this special use permit is granted the applicant will need a waiver to the side setbacks for both interior units. They would also need a waiver to the minimum lot width for three of the units. The proposed exterior unit adjacent to Jenkins Street would need a six (6) foot variance for the lot width. The interior units would need 21 foot variances to the minimum lot width.

Statement of Planning Objective

The owner of My Homes LLC has applied for a special use permit to build four townhomes on a vacant parcel at the corner of Maye Street and Jenkins Street. The current owner is Timothy Sills. The adjacent property owners are on a separate page in this submittal. The applicant has included a picture of the type of townhome(s) he would like to build on this lot if granted a special use permit. The property is currently zoned R-6, and townhome developments are allowed as a special use permit.

The applicant wishes to build two buildings that would have a shared wall. If approved a licensed surveyor would be preparing a subdivision to show each townhome being on a separate parcel. The applicant has proposed townhomes and not a planned unit development. There would be no new private streets, parking areas, common open spaces, or other protective covenants other than anything covered by a Town of Erwin ordinance.

The townhomes would front Maye Street. They will be accessed from Maye Street. The applicant wishes to build townhomes on this site to add to the housing inventory inside town limits. There are not many townhomes in Erwin at the moment. This development would provide another option to potential new residents. The applicant does plan on renting these units at the start. He wishes to get a special use permit for townhomes so each unit would be on a separate lot with its deed so if he wanted to sell in the future he could.

Each proposed building would be 58 feet (wide) by 50 feet (length). Each proposed townhome unit would be 29 feet (wide) by 50 feet (length). The applicant has selected this size unit to be mindful of the permanent drainage easement on this parcel and other setback requirements. The applicant has indicated to Town Staff that he would get started on this project within a year if approved. He would have to finalize the terms of purchasing the property and then have a surveyor prepare a plat subdividing the parcels.

Erwin Board of Commissioners

REQUEST FOR CONSIDERATION

To: The Honorable Mayor and Board of Commissioners

From: Snow Bowden, Town Manager

Date: December 2, 2021

Subject: Redistricting

Town Staff has processed the data from the US Census and there is no need to redraw our voting districts based on the data from the 2020 US Census. Our voting districts are still in compliance with the 1965 Voting Rights Act and the constitutional requirements of one person, one vote. Our population only increased by 137 people based on the data found in the 2020 U.S. Census. One of the main trends found in the census was that America is becoming a more diverse nation.

It is a few years down the road but Town Staff would like to point out that the voting districts will most likely need to be redrawn after the 2030 U.S. Census.

Race	WARD 1	WARD 2	WARD 3	WARD 4	WARD 5	WARD 6
Total Population	703	702	850	804	729	662
Total population, one race	667	647	770	770	657	617
White alone	265	520	527	627	512	500
Black or African American alone	349	87	157	55	75	81
American Indian/Alaska Native	2	8	9	3	5	4
Asian alone	1	0	4	1	0	5
Native Hawaiian and other Pacific Island Alone	0	1	1	0	0	1
Some Other Race	36	55	80	34	72	45

	WARD 1	WARD 2	WARD 3	WARD 4	WARD 5	WARD 6

Erwin Board of Commissioners

REQUEST FOR CONSIDERATION

To: The Honorable Mayor and Board of Commissioners

From: Snow Bowden, Town Manager

Date: December 2, 2021

Subject: Street Sweeper

Public Works Director Mark Byrd has requested that the Town looks into purchasing a new street sweeper. The one that we currently have is beyond worn out and is in constant need of repair. We have a quote to purchase an Elgin Regen X Regenerative Air Sweeper, mounted on a Freightliner M2-106 chassis. The price is \$227,546 and is a contract price on Sourcewell. Sourcewell is a public agency that offers competitively solicited purchasing contracts for products and equipment to member agencies. NC General Statute 143-129 allows for purchases through this process. The proposal has been met the standards for the federal bidding process.

We can use some of our funds from the American Rescue Plan to purchase this piece of equipment. Street sweepers are an eligible equipment purchase based on information found in the Clean Water State Revolving Fund eligibilities form. Street sweepers are a piece of equipment that is generally used as a sediment control measure.

Attachments:

- Clean Water State Revolving Fund eligibilities packet (stormwater page)
- NC General Statue 143-129
- Bid received
- E-mail confirmation that we can use Sourcewell
- Proposed budget amendment to our American Rescue Project Ordinance

Stormwater

Eligible stormwater projects include gray and green infrastructure. Stormwater harvesting and use (see *Water Conservation*) and land conservation/easements (see *Surface Water Protection and Restoration*) are also eligible (see *Water Conservation*). Stormwater projects must have a water quality benefit.

Gray Infrastructure	Green Infrastructure
<ul style="list-style-type: none">• Traditional pipe, storage, and treatment systems• Real-time control systems for CSO management• Sediment controls including:<ul style="list-style-type: none">○ Filter fences○ Storm drain inlet protection○ Street sweepers○ Vacuum trucks	<ul style="list-style-type: none">• Green roofs, green streets, and green walls• Rainwater harvesting collection, storage, management, and distribution systems• Real-time control systems for harvested rainwater• Infiltration basins• Constructed wetlands, including surface flow and subsurface flow (e.g., gravel) wetlands• Bioretention/bioswales (e.g., rain gardens, tree boxes)• Permeable pavement• Wetland/riparian/shoreline creation, protection, and restoration• Establishment/restoration of urban tree canopy• Replacement of gray infrastructure with green infrastructure including purchase and demolition costs

Assistance may be provided:

- to any municipality or intermunicipal, interstate, or State agency for publicly owned stormwater projects. *Section 603(c)(1)*
- to any borrower for stormwater projects that implement a Section 319 NPS management program. *Section 603(c)(2)*
- to any borrower for stormwater projects that implement a Section 320 CCMP. *Section 603(c)(3)*
- to any borrower for projects that manage, reduce, treat, or recapture stormwater or subsurface drainage water. *Section 603(c)(5)*
- to any municipality or municipal entity for management of municipal wet weather discharges on an integrated watershed or subwatershed basis for the purpose of demonstrating the effectiveness of a unified wet weather approach. *Section 603(c)(7)*
- to any municipality or municipal entity for stormwater BMPs in municipal separate storm sewers (MS4s) for the purpose of demonstrating and determining controls that are cost-effective and use innovative technologies. *Section 603(c)(7)*
- to any municipality or municipal entity for efforts of municipalities and property owners to develop or implement watershed partnerships to address nonpoint sources of pollution. *Section 603(c)(7)*
- to any municipality or municipal entity for the development and implementation of a municipality-wide stormwater management plan. *Section 603(c)(7)*
- to any borrower for projects to reuse stormwater or subsurface drainage water. *Section 603(c)(9)*

§ 143-129. Procedure for letting of public contracts.

(a) **Bidding Required.** - No construction or repair work requiring the estimated expenditure of public money in an amount equal to or more than five hundred thousand dollars (\$500,000) or purchase of apparatus, supplies, materials, or equipment requiring an estimated expenditure of public money in an amount equal to or more than ninety thousand dollars (\$90,000) may be performed, nor may any contract be awarded therefor, by any board or governing body of the State, or of any institution of the State government, or of any political subdivision of the State, unless the provisions of this section are complied with; provided that The University of North Carolina and its constituent institutions may award contracts for construction or repair work that requires an estimated expenditure of less than five hundred thousand dollars (\$500,000) without complying with the provisions of this section.

For purchases of apparatus, supplies, materials, or equipment, the governing body of any political subdivision of the State may, subject to any restriction as to dollar amount, or other conditions that the governing body elects to impose, delegate to the manager, school superintendent, chief purchasing official, or other employee the authority to award contracts, reject bids, or readvertise to receive bids on behalf of the unit. Any person to whom authority is delegated under this subsection shall comply with the requirements of this Article that would otherwise apply to the governing body.

(b) **Advertisement and Letting of Contracts.** - Where the contract is to be let by a board or governing body of the State government or of a State institution, proposals shall be invited by advertisement in a newspaper having general circulation in the State of North Carolina. Where the contract is to be let by a political subdivision of the State, proposals shall be invited by advertisement in a newspaper having general circulation in the political subdivision or by electronic means, or both. A decision to advertise solely by electronic means, whether for particular contracts or generally for all contracts that are subject to this Article, shall be approved by the governing board of the political subdivision of the State at a regular meeting of the board.

The advertisements for bidders required by this section shall appear at a time where at least seven full days shall lapse between the date on which the notice appears and the date of the opening of bids. The advertisement shall: (i) state the time and place where plans and specifications of proposed work or a complete description of the apparatus, supplies, materials, or equipment may be had; (ii) state the time and place for opening of the proposals; and (iii) reserve to the board or governing body the right to reject any or all proposals.

Proposals may be rejected for any reason determined by the board or governing body to be in the best interest of the unit. However, the proposal shall not be rejected for the purpose of evading the provisions of this Article. No board or governing body of the State or political subdivision thereof may assume responsibility for construction or purchase contracts, or guarantee the payments of labor or materials therefor except under provisions of this Article.

All proposals shall be opened in public and the board or governing body shall award the contract to the lowest responsible bidder or bidders, taking into consideration quality, performance and the time specified in the proposals for the performance of the contract.

In the event the lowest responsible bids are in excess of the funds available for the project or purchase, the responsible board or governing body is authorized to enter into negotiations with the lowest responsible bidder above mentioned, making reasonable changes in the plans and specifications as may be necessary to bring the contract price within the funds available, and may award a contract to such bidder upon recommendation of the Department of Administration in the case of the State government or of a State institution or agency, or upon recommendation of the responsible commission, council or board in the case of a subdivision of the State, if such bidder will agree to perform the work or provide the apparatus, supplies, materials, or equipment at the negotiated price within the funds available therefor. If a contract cannot be let under the above conditions, the board or governing body is authorized to readvertise, as herein provided, after having made such

changes in plans and specifications as may be necessary to bring the cost of the project or purchase within the funds available therefor. The procedure above specified may be repeated if necessary in order to secure an acceptable contract within the funds available therefor.

No proposal for construction or repair work may be considered or accepted by said board or governing body unless at the time of its filing the same shall be accompanied by a deposit with said board or governing body of cash, or a cashier's check, or a certified check on some bank or trust company insured by the Federal Deposit Insurance Corporation in an amount equal to not less than five percent (5%) of the proposal. In lieu of making the cash deposit as above provided, such bidder may file a bid bond executed by a corporate surety licensed under the laws of North Carolina to execute such bonds, conditioned that the surety will upon demand forthwith make payment to the obligee upon said bond if the bidder fails to execute the contract in accordance with the bid bond. This deposit shall be retained if the successful bidder fails to execute the contract within 10 days after the award or fails to give satisfactory surety as required herein.

Bids shall be sealed and the opening of an envelope or package with knowledge that it contains a bid or the disclosure or exhibition of the contents of any bid by anyone without the permission of the bidder prior to the time set for opening in the invitation to bid shall constitute a Class 1 misdemeanor.

(c) **Contract Execution and Security.** - All contracts to which this section applies shall be executed in writing. The board or governing body shall require the person to whom the award of a contract for construction or repair work is made to furnish bond as required by Article 3 of Chapter 44A; or require a deposit of money, certified check or government securities for the full amount of said contract to secure the faithful performance of the terms of said contract and the payment of all sums due for labor and materials in a manner consistent with Article 3 of Chapter 44A; and the contract shall not be altered except by written agreement of the contractor and the board or governing body. The surety bond or deposit required herein shall be deposited with the board or governing body for which the work is to be performed. When a deposit, other than a surety bond, is made with the board or governing body, the board or governing body assumes all the liabilities, obligations and duties of a surety as provided in Article 3 of Chapter 44A to the extent of said deposit.

The owning agency or the Department of Administration, in contracts involving a State agency, and the owning agency or the governing board, in contracts involving a political subdivision of the State, may reject the bonds of any surety company against which there is pending any unsettled claim or complaint made by a State agency or the owning agency or governing board of any political subdivision of the State arising out of any contract under which State funds, in contracts with the State, or funds of political subdivisions of the State, in contracts with such political subdivision, were expended, provided such claim or complaint has been pending more than 180 days.

(d) **Use of Unemployment Relief Labor.** - Nothing in this section shall operate so as to require any public agency to enter into a contract which will prevent the use of unemployment relief labor paid for in whole or in part by appropriations or funds furnished by the State or federal government.

(e) **Exceptions.** - The requirements of this Article do not apply to:

- (1) The purchase, lease, or other acquisition of any apparatus, supplies, materials, or equipment from: (i) the United States of America or any agency thereof; or (ii) any other government unit or agency thereof within the United States. The Secretary of Administration or the governing board of any political subdivision of the State may designate any officer or employee of the State or political subdivision to enter a bid or bids in its behalf at any sale of apparatus, supplies, materials, equipment, or other property owned by: (i) the United States of America or any agency thereof; or (ii) any other governmental unit or agency thereof within the United States. The Secretary of Administration or the governing board of any political subdivision of the State may authorize the officer or employee to make any partial or down

payment or payment in full that may be required by regulations of the governmental unit or agency disposing of the property.

- (2) Cases of special emergency involving the health and safety of the people or their property.
- (3) Purchases made through a competitive bidding group purchasing program, which is a formally organized program that offers competitively obtained purchasing services at discount prices to two or more public agencies.
- (4) Construction or repair work undertaken during the progress of a construction or repair project initially begun pursuant to this section.
- (5) Purchase of gasoline, diesel fuel, alcohol fuel, motor oil, fuel oil, or natural gas. These purchases are subject to G.S. 143-131.
- (6) Purchases of apparatus, supplies, materials, or equipment when: (i) performance or price competition for a product are not available; (ii) a needed product is available from only one source of supply; or (iii) standardization or compatibility is the overriding consideration. Notwithstanding any other provision of this section, the governing board of a political subdivision of the State shall approve the purchases listed in the preceding sentence prior to the award of the contract.

In the case of purchases by hospitals, in addition to the other exceptions in this subsection, the provisions of this Article shall not apply when: (i) a particular medical item or prosthetic appliance is needed; (ii) a particular product is ordered by an attending physician for his patients; (iii) additional products are needed to complete an ongoing job or task; (iv) products are purchased for "over-the-counter" resale; (v) a particular product is needed or desired for experimental, developmental, or research work; or (vi) equipment is already installed, connected, and in service under a lease or other agreement and the governing body of the hospital determines that the equipment should be purchased. The governing body of a hospital shall keep a record of all purchases made pursuant to this subdivision. These records are subject to public inspection.

- (7) Purchases of information technology through contracts established by the Department of Information Technology as provided in Article 15 of Chapter 143B of the General Statutes.
 - (8) Guaranteed energy savings contracts, which are governed by Article 3B of Chapter 143 of the General Statutes.
 - (9) Purchases from contracts established by the State or any agency of the State, if the contractor is willing to extend to a political subdivision of the State the same or more favorable prices, terms, and conditions as established in the State contract.
 - (9a) Purchases of apparatus, supplies, materials, or equipment from contracts established by the United States of America or any federal agency, if the contractor is willing to extend to a political subdivision of the State the same or more favorable prices, terms, and conditions as established in the federal contract.
 - (10) Purchase of used apparatus, supplies, materials, or equipment. For purposes of this subdivision, remanufactured, refabricated or demo apparatus, supplies, materials, or equipment are not included in the exception. A demo item is one that is used for demonstration and is sold by the manufacturer or retailer at a discount.
 - (11) Contracts by a public entity with a construction manager at risk executed pursuant to G.S. 143-128.1.
 - (12) Repealed by Session Laws 2006-232, s. 2, effective July 1, 2015.
- (f) Repealed by Session Laws 2001-328, s. 1, effective August 2, 2001.

(g) **Waiver of Bidding for Previously Bid Contracts.** - When the governing board of any political subdivision of the State, or the person to whom authority has been delegated under subsection (a) of this section, determines that it is in the best interest of the unit, the requirements of this section may be waived for the purchase of apparatus, supplies, materials, or equipment from any person or entity that has, within the previous 12 months, after having completed a public, formal bid process substantially similar to that required by this Article, contracted to furnish the apparatus, supplies, materials, or equipment to:

- (1) The United States of America or any federal agency;
- (2) The State of North Carolina or any agency or political subdivision of the State; or
- (3) Any other state or any agency or political subdivision of that state, if the person or entity is willing to furnish the items at the same or more favorable prices, terms, and conditions as those provided under the contract with the other unit or agency. Notwithstanding any other provision of this section, any purchase made under this subsection shall be approved by the governing body of the purchasing political subdivision of the State at a regularly scheduled meeting of the governing body no fewer than 10 days after publication of notice that a waiver of the bid procedure will be considered in order to contract with a qualified supplier pursuant to this section. Notice may be published in a newspaper having general circulation in the political subdivision or by electronic means, or both. A decision to publish notice solely by electronic means for a particular contract or for all contracts under this subsection shall be approved by the governing board of the political subdivision. Rules issued by the Secretary of Administration pursuant to G.S. 143-49(6) shall apply with respect to participation in State term contracts.

(h) **Transportation Authority Purchases.** - Notwithstanding any other provision of this section, any board or governing body of any regional public transportation authority, hereafter referred to as a "RPTA," created pursuant to Article 26 of Chapter 160A of the General Statutes, or a regional transportation authority, hereafter referred to as a "RTA," created pursuant to Article 27 of Chapter 160A of the General Statutes, may approve the entering into of any contract for the purchase, lease, or other acquisition of any apparatus, supplies, materials, or equipment without competitive bidding and without meeting the requirements of subsection (b) of this section if the following procurement by competitive proposal (Request for Proposal) method is followed.

The competitive proposal method of procurement is normally conducted with more than one source submitting an offer or proposal. Either a fixed price or cost reimbursement type contract is awarded. This method of procurement is generally used when conditions are not appropriate for the use of sealed bids. If this procurement method is used, all of the following requirements apply:

- (1) Requests for proposals shall be publicized. All evaluation factors shall be identified along with their relative importance.
- (2) Proposals shall be solicited from an adequate number of qualified sources.
- (3) RPTAs or RTAs shall have a method in place for conducting technical evaluations of proposals received and selecting awardees, with the goal of promoting fairness and competition without requiring strict adherence to specifications or price in determining the most advantageous proposal.
- (4) The award may be based upon initial proposals without further discussion or negotiation or, in the discretion of the evaluators, discussions or negotiations may be conducted either with all offerors or with those offerors determined to be within the competitive range, and one or more revised proposals or a best and final offer may be requested of all remaining offerors. The details and deficiencies of an offeror's proposal may not be disclosed to other offerors during any period of negotiation or discussion.

- (5) The award shall be made to the responsible firm whose proposal is most advantageous to the RPTA's or the RTA's program with price and other factors considered.

The contents of the proposals shall not be public records until 14 days before the award of the contract.

The board or governing body of the RPTA or the RTA shall, at the regularly scheduled meeting, by formal motion make findings of fact that the procurement by competitive proposal (Request for Proposals) method of procuring the particular apparatus, supplies, materials, or equipment is the most appropriate acquisition method prior to the issuance of the requests for proposals and shall by formal motion certify that the requirements of this subsection have been followed before approving the contract.

Nothing in this subsection subjects a procurement by competitive proposal under this subsection to G.S. 143-49, 143-52, or 143-53.

RPTAs and RTAs may adopt regulations to implement this subsection.

(i) Procedure for Letting of Public Contracts. - The Department of Transportation ("DOT"), The University of North Carolina and its constituent institutions ("UNC"), and the Department of Administration ("DOA") shall monitor all projects in those agencies and institutions that are let without a performance or payment bond to determine the number of defaults on those projects, the cost to complete each defaulted project, and each project's contract price. Beginning March 1, 2011, and annually thereafter, DOT, UNC, and DOA shall report this information to the Joint Legislative Committee on Governmental Operations.

(j) [Use of E-Verify Required. -] No contract subject to this section may be awarded by any board or governing body of the State, institution of State government, or any political subdivision of the State unless the contractor and the contractor's subcontractors comply with the requirements of Article 2 of Chapter 64 of the General Statutes. (1931, c. 338, s. 1; 1933, c. 50; c. 400, s. 1; 1937, c. 355; 1945, c. 144; 1949, c. 257; 1951, c. 1104, ss. 1, 2; 1953, c. 1268; 1955, c. 1049; 1957, c. 269, s. 3; c. 391; c. 862, ss. 1-4; 1959, c. 392, s. 1; c. 910, s. 1; 1961, c. 1226; 1965, c. 841, s. 2; 1967, c. 860; 1971, c. 847; 1973, c. 1194, s. 2; 1975, c. 879, s. 46; 1977, c. 619, ss. 1, 2; 1979, c. 182, s. 1; 1979, 2nd Sess., c. 1081; 1981, c. 346, s. 1; c. 754, s. 1; 1985, c. 145, ss. 1, 2; 1987, c. 590; 1987 (Reg. Sess., 1988), c. 1108, ss. 7, 8; 1989, c. 350; 1993, c. 539, s. 1007; 1994, Ex. Sess., c. 24, s. 14(c); 1995, c. 367, s. 6; 1997-174, ss. 1-4; 1998-185, s. 1; 1998-217, s. 16; 2001-328, s. 1; 2001-487, s. 88; 2001-496, ss. 4, 5; 2005-227, s. 1; 2006-232, s. 2; 2007-94, s. 1; 2007-322, s. 4; 2007-446, s. 6; 2010-148, s. 1.2; 2011-234, s. 1; 2013-418, s. 2(c); 2015-241, s. 7A.4(s).)

Attention: Mark Byrd

RE: Regen X Regenerative Air Sweeper

Dear Mark,

We would like to take this opportunity to thank you for your continued interest in Public Works Equipment (PWE) and Elgin's industry-leading line of innovative street sweeping products.

PWE is pleased to present the following quotation to provide one (1) Elgin Regen X Regenerative Air Sweeper, mounted on a Freightliner M2-106 chassis per Sourcewell Contract # 122017-FSC-1.

We appreciate the opportunity to assist with this equipment requirement and ask that you not hesitate to contact us should you require additional information.

Respectfully Submitted,

Doug Boice
Area Sales Manager
Public Works Equipment
Cell: (980)239-8055
dboice@pweasi.com

Quotation

To provide one (1) Regen X Regenerative Air Sweeper mounted on a Freightliner M2-106 chassis, standard equipped as described below:

Auxiliary Engine:

- Make: John Deere 4045T Tier Four Final
- Type: 4-cylinder, turbocharged diesel
- Displacement 276 cu. In. (4.5L)
- Horsepower: 74 (55 kW) @2400 RPM
- Torque: 224 ft-lbs (304 Nm) @ 1600 RPM
- Auto Shutdown for Low Oil/High Temp Electronic Throttle

Blower (Fan):

- Driven by a two (2) "V" groove power belt, with spring-loaded tensioner; not requiring repositioning of the auxiliary engine for adjustment
- Blower speed shall not exceed 3050 RPM
- Closed face turbine type, 33^{3/8} in. diameter, with 9 vanes constructed of Hardox steel
- Blower housing shall be constructed of 7-gauge steel
- Inspection door
- Belt tension shall not exceed 20 Hz

Pickup Head:

- 90" wide and 30" long for a total area of 2700² inches
- 14" diameter pressure hose that connects the blower outlet with the pickup head
- 13" diameter suction hose with a quick disconnect coupling at the lower end near the pickup head and the higher end near the hopper inlet, steel portion of this suction tube shall be no shorter than 19"
- The pressure side shall be equipped with an in-cab steel cable-controlled pressure relief valve/vacuum enhancer/leaf bleeder no smaller than 116 square-inches
- The suction chamber shall be equipped with a washout port that does not restrict the sizing of washout nozzle(s) used
- The front and rear debris curtains shall be removable through the loosening of four (4) slotted bolts without removing the pickup head from the unit
- Raised and lowered by rocker switch inside the cab

Side Brooms:

- 144" total sweep path with both side brooms extended
- Free floating trailing arm, parallelogram design
- 42" diameter with hydraulically driven rotation, pneumatically raised and lowered
- Controlled by in cab rocker switches

Hopper:

- 8 cu. yards with all fore-and-aft edges being minimum of 6" radius to provide ease of cleaning and debris evacuation
- Constructed of 10-gauge steel and ¼" thick steel floor
- 50° total dump angle, 10° hopper floor plus 40° dump angle
- Two (2) single stage telescoping cylinders
- External hopper props
- Dump control shall consist of weatherproof toggle switches located on the exterior right side of sweeper along with optional in-cab dump switches – hopper raise/lower and hopper door open/close – shall also be available
- A single screen assembly with total surface area of 3970 square inches, constructed of 11-gauge steel, shall be installed to allow air to move freely from the hopper into the centrifugal dust separator
- Screen shall be hinged and lowered via a pneumatically controlled cable drop-down system

Spray Water System:

- Polyethylene tank, 265-gal. capacity
- 16' 8" fill hose
- Color coded water lines
- Three (3) spray nozzles at each side broom, three (3) at suction hose
- One (1) electric 12-volt, diaphragm type pump will provide a capacity of 4 GPM to the pickup head, the suction hose, and the side brooms. The system pressure shall be sized for 40 PSI

Hydraulic System:

- Gear driven pump, with a flow capacity of 7.0 GPM @ 2100 RPM and 8.3 GPM @ 2500 RPM
- 11 gal. capacity with exterior site gauge

Pneumatic System:

- All pneumatic cylinders rated to 150 PSI and have a separate rod seal and wiper
- All pneumatic cylinders are interchangeable

Electrical System:

- Rear-facing backup camera
- Backup alarm
- Wiring system is color coded and "function stamped"

Instrumentation:

- "Raised" hopper indicator and "open" hopper door indicator and a "full" hopper indicator
- Diagnostic information
- Tachometer, hour meter, oil pressure, voltage, and coolant temperature

Additional Enhancements Included:

- Hydraulic Oil/Thermo
- LED Stop Tail Turn
- Bos Air Cloth 905
- RH Toolbox
- Sweep Lights LED-RM
- Front Spray Bar
- Front/Rear LED Beacons RM
- Hooper Deluge
- LH Sidebroom Tilt
- RH Sidebroom Tilt
- Wandering Hose
- Flow Block

Purchase Price\$227,546.00

Terms & Conditions

****Subject to Prior Sale****

Pricing in USD, taxes, and fees to be paid at time of tag & title if applicable

Price Includes PDI, delivery and training

FOB: Erwin, NC

Payment Terms: Due upon receipt

Purchase order required

Delivery: Stock unit available for immediate delivery

Quotation valid for 30 days

Erwin Board of Commissioners

REQUEST FOR CONSIDERATION

To: The Honorable Mayor and Board of Commissioners

From: Snow Bowden, Town Manager

Date: December 2, 2021

Subject: December Workshop

Town Staff has put together a Storm Water Policy that we would like to present to the Town Board at a workshop meeting. Our typical day for a workshop in December falls on a day that Town Hall is closed for a holiday. We would like to get something scheduled for some time in December.

Potential Dates:

- Monday, December 13th at 6 PM
- Thursday, December 9th at 6 PM
- Thursday, December 16th at 6 PM
