

EQUIPMENT OPERATOR

General Statement of Duties

Performs a variety of responsible unskilled and semi-skilled maintenance, repair, and construction work on streets, buildings, grounds, and storm water management.

Distinguishing Features of the Class

An employee in this class performs a variety of unskilled, semi-skilled, and occasionally skilled tasks in the construction, maintenance, operation, and repair of streets, sidewalks, drainage systems, buildings, grounds, and other facilities. Work also includes helping with preparation for various meetings and special events for the Town. Work involves operating a variety of tools and light, medium and heavy equipment to build, repair and replace streets and other infrastructure. Employees are subject working in both inside and outside environments, in extreme hot and cold weather, and exposure to various hazards such as loud noises, vibration, moving mechanical parts, electrical current, chemicals, fumes, odors, dusts, mists, gases, poor ventilation, and oils. Work with solid waste may subject the employee to the final standards of OSHA on bloodborne pathogens. Employees may be subject to standby work for storms. Work is performed under regular supervision and is evaluated through observation and inspection for adherence to instructions and standard trade and safety practices.

Duties and Responsibilities

Essential Duties and Tasks

- Cleans Town facilities including sweeping or blowing sidewalks, and removing trash from sidewalks and around building.
- Operates light and medium equipment; performs preventive maintenance and minor repairs to equipment.
